

Girteka Logistics publishes Annual report for FY 2017

Growing sales at Girteka Logistics with all business segments contributing positively to the growth. 2017 sales increased to Euro 561 million, corresponding to an organic growth of 29,7%.

The organic growth in sales was 29,7%, driven by a continued strong underlying growth in all geographic markets, and by the continued efforts towards winning more contracts from large multi-national key accounts.

"In the past year, we delivered on our expectations with a strong financial performance. We had a solid growth in sales of 29,7%, powered by positive market conditions and targeted sales efforts. We will continue to challenge ourselves to create more and better workplaces, and to become the best possible logistics supplier for our clients." says Edvardas Liachovicus, CEO of Girteka Logistics.

During 2017 Girteka Logistics took many positive measures to implement its mission statement 'WE CARE', and to make it known, experienced and used by every single employee. The Mission statement is openly promoted and part of the daily interaction with the company's stakeholders such as clients, hauliers, community, colleagues, and shareholders.
