Girteka Logistics first in Europe to buy the new TESLA truck

Girteka Logistics, one of Europe's largest road transport companies, has today as the first company in Europe ordered the new TESLA truck. "Girteka Logistics want to be the greenest transportation company available, and electric trucks are the future", states Edvardas Liachovičius, CEO of Girteka Logistics.

Today Elon Musk revealed the future of trucking by announcing "the beast", and we want to be first in line to take ownership in Europe. "We currently have a fleet of almost 4.000 trucks in Europe and "the Beast" will be our first electric truck", finishes Edvardas Liachoviccius, CEO of Girteka Logistics.

About Girteka Logistics

Girteka Logistics is Europe's leading asset based FTL Transport Company, the company delivers more than 300.000 Full truck loads annually. The company grew organically from 600 trucks in 2010 to now almost 4.000 trucks and 4.500 trailers operating in Europe, Scandinavia and CIS/Russia. Girteka Logistics has more than 8.300 professionals and is often the FTL carrier of choice for the world's biggest brands.
