

About Girteka Logistics

Girteka Logistics is the largest European asset-based transportation company, transporting more than 820 000 full truck loads (FTLs) every year. The company grew from 600 trucks in 2010 to 8 000 trucks in Europe, Scandinavia and CIS countries. With a team of more than 20 000 members, Girteka Logistics is a leading FTL transporter chosen by the largest global companies.
